Print Assignment 4: Individual Library Scavenger Hunt

Directions: Please go to the library to complete this assignment. Go to the circulation desk and ask for a library brochure (this will help you find various locations in the library). Answer the questions below.

1. Locate a library staff member. Have the staff member sign his/her name here: ______________________________________________________

2. Find one of the photocopier machines (there are two at Sullivan University Louisville Library). How much does it cost to use the photocopier machine? _______ cents a page

3. Find the Spring 2013 issue of the periodical Conflict Resolution Quarterly. (NOTE: This can be found in the Older Periodicals section of the library).
   a. Is this periodical a popular magazine or a scholarly journal? ______________________________________________________
   b. What is the title of the article located on page 295? ______________________________________________________

4. Name two general encyclopedias that can be found at the Sullivan University Louisville Library. (NOTE: Look in the reference section).
   a. ______________________________________________________
   b. ______________________________________________________

5. Go to the Current Periodicals section of the library. Look for the periodicals listed below. For each periodical, note whether it is a scholarly journal, trade publication, or popular magazine. Circle the field of study that the periodical falls under.

   • Culture

   What type of periodical is Culture? (Circle one):
   o Scholarly journal  o Trade publication  o Popular magazine

   In what field of study would Culture be most useful? (Circle one):
   o Business and Management  o Early Childhood Education  o Computer Science  o Culinary
• *Exchange*

What type of periodical is *Exchange*? (Circle one):

- Scholarly journal
- Trade publication
- Popular magazine

In what field of study would *Exchange* be most useful? (Circle one):

- Business and Management
- Early Childhood Education
- Computer Science
- Culinary

6. Find any two of the following items (there are 6 to choose from) using the items' Dewey Decimal call number. Answer the following questions about the items:

- 362.82 D149b
- 641 F686
- 641.252 D614
- 641.865 K55
- 658 S777c
- 658.834 A267

Answer the questions below about your chosen items:

Item 1:

a. What is the title (name) of the item? ________________________________

b. Is this item a book, a video, DVD, or audiocassette? ____________________

c. What is the date of publication (copyright ©)? __________________________

Item 2:

a. What is the title (name) of the item? ________________________________

b. Is this item a book, a video, DVD, or audiocassette? ____________________

c. What is the date of publication (copyright ©)? __________________________

7. Use the quotation book, *Familiar Quotations by John Bartlett* (Bartlett’s Familiar Quotations) to answer the following questions. (NOTE: Look in the reference section for the quotation book):

a. Who said “I am simply a human being, more or less.” _______________________

b. On what page did you find the quotation? _________________________________

c. The person attributed to this quote is also a winner of the Nobel Prize for Literature. Using an encyclopedia or almanac, please circle the year in which he/she won the award:

- 1954
- 1976
- 1973
- 2001
