Welcome to our new monthly e-mail to keep you informed about new books and materials received in the library. Want more? The Library Alert web page is updated every other week and lists any new title processed during the previous two weeks.

**September 27-October 4 is Banned Books Week.** An annual event sponsored by the American Library Association, "Banned Books Week celebrates the freedom to choose or the freedom to express one’s opinion even if that opinion might be considered unorthodox or unpopular and stresses the importance of ensuring the availability of those unorthodox or unpopular viewpoints to all who wish to read them. After all, intellectual freedom can exist only where these two essential conditions are met.” During the month of September the library will have a book display of challenged items, please stop by and take a look.
