Library hours for Spring Quarter:

For each day in 2010 the Library will be testing your knowledge of our book
What's the Book??

Links to get started using the database can be found on the library's

The Sullivan University Libraries are now subscribing to Books24x7, a database of
demand business, technical and engineering content containing thousands of
books.

For 2010 we would like to make READ posters using students and their favorite
and services.

the contributions of our nation's libraries and librarians and to promote library use
observance sponsored by the American Library Association. It is a time to celebrate
across America.

Each year during April the Library celebrates National Library Week with libraries
