### Haunted by Combat
By Daryl S. Paulson and Stanley Krippner

**PUBLISHER:** Rowman & Littlefield, 2010  
616.8521 P332h

Authors Paulson and Krippner guide those in allied health jobs in understanding and treating veterans and others who suffer from post-traumatic stress disorder.

### Human Diseases and Conditions
Edited by Miranda Herbert Ferrara

**PUBLISHER:** Charles Scribner’s Sons/Gale, 2010  
616.003 H918 v.1-4

In this updated encyclopedia students can find out information about a variety of human conditions including SARS and internet addictions. Each entry has a definition of the disease or condition, how to prevent it, and a list of resources to do further research.

### When Trauma Survivors Return to Work
By Barbara Barski-Carrow, PhD

**PUBLISHER:** University Press of America, 2010  
616.8521 B282w

Though designed to help managers and co-workers relate to and assist an employee who comes back to work after experiencing a traumatic event, this title can also be used by healthcare professionals to understand and take care of their patients.

### White Coat Black Hat: Adventures on the Dark Side of Medicine
By Carl Elliott

**PUBLISHER:** Beacon Press, 2010  
174.2951 E46w

In this lively narrative, physician and moral philosopher Carl Elliott traces for the first time the evolutionary path of the new direction in health care, revealing the dangerous underbelly of the beast that has emerged--a beast that sacrifices old-style doctoring to fit the values of consumer capitalism. –*Summary provided by publisher.*
