| **Great Discoveries in Medicine**  
Edited by William and Helen Bynum  
PUBLISHER: Thames & Hudson,  
2011 Call #: R 610.9 G786  
The authors chronicle the global history of medicine from ancient times to the modern age, and they include illustrations and photographs to supplement the topics featured in the text. |
| **Oxford American Handbook of Clinical Examination and Practical Skills**  
By Elizabeth Burns  
PUBLISHER: Oxford University Press,  
2011 Call #: R 616.1075 B967o  
In this well-rounded handbook, the authors cover the basics of a clinical exam (history taking, physical exam, and communication). Then, they list about 40 procedures that senior nurses should know. |
| **Oxford American Handbook of Infectious Diseases**  
By Aimee Zaas  
PUBLISHER: Oxford University Press,  
2012 Call #: R 614.5 Z11o  
Ms. Zaas condenses the latest medical information about infectious diseases, including content about drug-resistant bacteria, in this updated guide. |
Treat PTSD in Military Personnel: A Clinical Handbook
By Bret A. Moore

PUBLISHER: Guilford Publications, Inc.,
2011 Call #: 616.8521 M821t

Designed specifically for health care professionals who work with veterans, this guide presents a variety of treatment options for veterans, the pros and cons of these treatments, and how these treatments can be used with veterans.

LIBRARY NEWS

February is Black History Month, and the Sullivan Library and Learning Resource Center commemorates it with a book display featuring items from our collection. Please feel free to speak with one of the librarians if you want to check out one of the books on display, if you want more information about Black History Month, or if you want to find other books about African-Americans in our collection.
