By joining varied groups of patrons and assisting their research over the long haul, embedded librarians commit themselves to service in a very different way than they did in traditional one-shot bibliographic instruction. In this collection, we see librarians using the embedded model to become valuable collaborators, trusted instructors, and partners in shaping the curriculum and broad institutional goals beyond the boundaries of the library. As the Foreign Affairs columnist for *The New York Times*, Thomas L. Friedman has traveled the globe...Now Friedman has drawn on his years on the road to produce an engrossing and original look at globalization. Globalization, he argues, is not just a phenomenon and not just a passing trend.
