First place scholarship winners included:

Rachel Peckenpaugh, Manual High School, took first honors in Computer Art. Katie Langhehs from Pleasure Ridge Park earned $3,000 for her web design/multimedia project. Paul Neely, from Jennings County, competed in Computer Security/Forensics, and earned top honors. Zachary Evrard, from Heath High School, produced outstanding work in Architectural CADD, and went home with $3,000 of scholarship money.

Above, Amanda Grace, with her mom and dad, proudly holds the art which earned her a $2,000 scholarship.

Below, William Corie from Jeffersontown High School earned a $3,000 Electronics scholarship.

Scholarship Fair participants had numerous opportunities to win great door prizes.

Left, Brandon Bird.

Below, Jason Fowler, with his proud mom, earned a $1,000 scholarship for his participation in the Electronics division.

Rachel Peckenpaugh receives her $3,000 Scholarship Award from David Winkler.

Below, Terri George, Interior Design Chair and Graphic Design Chair, and Craig Niemann.

Pride in Our Faculty

Faculty members Terri George and Tom Willis will present at the Kentucky Association for Career and Technical Education summer program in July. Their topic is Creating and Implementing Successful Externships that link students to their careers. Faculty members Craig Niemann and Carla Wallace are also presenters. Their topic is Making Connections with Non-Profit Organizations and Using Service Learning as an Instructional Strategy.

Randy George, Chair, Computer Aided Design Drafting, has earned his second American Design Drafting Association (ADDA) certification. He is now a Certified Mechanical Drafter and a Certified Architectural Drafter.

Stephen Cummings, IT Instructor, Computer Network Administration, updated his NET+ certification to 2009 4th edition.

Mitch Mitchell, CADD instructor, recently completed his master’s degree at Sullivan University in Business/Project Management.
