AAS Architectural CADD
Meade County HS, KY
CADD Drafter
CFW Associated Engineers
Louisville, KY

Adam S. Vires
AOS Computer Network Administration
Bullitt East HS, KY
Computer Network Administrator
C&I Engineering
Louisville, KY

A letter of thanks from an alumni

“I graduated in 2008 with an AAS Degree in Architectural Drafting & Design. Barbara Moore, Director of Career Services, located a co-op position with Alliant Integrators while in my fourth quarter. I’ve been with the company nearly two years and can’t say enough about the opportunity. Mrs. Moore arranged an interview with Gary Fenwick ’05, also an alumnus from SCTD’s Architectural Design Drafting program. Mrs. Moore assisted Gary in obtaining a position with Alliant Integrators as well; basically two graduates work in the same company! Gary was the AutoCAD tech, and was promoted to the Operations Manager. Gary hired me to take over the AutoCAD position. Gary and I thought it would be a good idea to let you know that two of your former students played a role in your new HVAC building project. I worked with the Sales Department in designing the fire alarm system for the new building, and Gary served as project manager ensuring the entire job process was successful. We were fortunate to play a part in the new construction project at our old school. I hope all is well at SCTD and I want to thank Mrs. Moore for everything.”

CHAD DUVALL, AutoCAD Design Technician
