History was made at the end of the season when Coach Laura Litter was named Coach of the Year by two organizations. Coach Litter was named Outstanding College Coach in the Commonwealth of Kentucky by the Citizens Sports Equity Foundation of Kentucky. The Foundation promotes female athletes, coaches and supporters in the state. The award was made before approximately three hundred attendees at a luncheon at the Hyatt-Regency Hotel. The coaches from the Kentucky Junior College Athletic Conference also elected Coach Litter Coach of the Year. "The Outstanding College Coach honor was a complete shock," said Coach Litter who went on to say, "I humbly accept this award on behalf of my team and Sullivan College. If not for them, this moment would not have been possible." In twelve years of college coaching, her record is 322-64. Noted for their up-tempo style of play, the Executives have led the nation in scoring each of the last two years by averaging over ninety-nine points per-game.
