2nd annual Central Kentucky Career Competition (CKCC) was great! Again and again and . . .

CKCC was an exciting event for Central Kentucky high school juniors and seniors to participate in career and skill competitions on the Lexington campus. Nearly 100 eager students participated in a variety of competitions including impromptu speaking, desktop publishing, job interviewing, business law, networking and marketing. Every student had an opportunity to compete in three different areas. While enjoying a well-deserved lunch break on campus, students were enlightened with a speech on motivation, "Being the Best and Making the Grade" given by Dr. Jim Ploskonka, Executive Director of the Lexington campus. Highlight of the day was the presentation of awards and medallions. Top placed winners in each category were also presented with academic scholarship awards to Sullivan University. Plans are already underway for the third annual CKCC competition!

George Rogers Clark High School, Winchester, KY took 1st place with the most team points!

Boyle County High School, Danville, KY took 2nd place with team points!

Congratulations to all the participants!
