Health & Safety Techniques and Pharmacology

Instructor Jill Ferrari discusses laboratory procedures to Jessica Tracy, Bernie Williams, Chris Lewis and Megan Slaiman (back to camera).}

“I love being the lab assistant. It makes me feel good and it’s something I’ve always been interested in. I enjoy helping people.”

JILL FERRARI, Lab Assistant

“I enjoy helping people.”

TENA JOHNSON, Lab Assistant

“I believe that there’s a lot of value in hands-on learning, it’s very real.”

BRITTANY BRADLEY, Maximus Techs.

“My high school class was not interested in the subject. But in college, I’m seeing more and more students who are interested.”

BRITTANY BRADLEY, Maximus Techs.

“I think it’s important that kids are exposed to different areas of science and engineering while they’re in high school.”

ROB SNOW

“Sullivan has made me more confident in myself.”

BRITTANY BEASLEY, Lindsay Ryles

“I wanted to step up my culinary skills.”

HELEN WARD, Baking Science

“Sullivan has been great. I wish I had enrolled earlier!”

CASEY FARRIS, culinary arts

“I didn’t expect to learn so much about mathematics required in the hospitality/food industry.”

Chris Stanley listens intently as Instructor Melissa Armstrong, CWPC, CHE, gives him pointers on the proper method of frosting a cake.

“Sullivan is the only class to teach culinary arts.”

DAVID BOWSER, culinary arts

“I can help_please for the rest of the semester.”

JIM GRIER, culinary arts

I chose this field to provide stability for myself and more one-on-one time with the professor.”

PROFESSOR DR. JERRY SIMS

“Now THAT’S a problem!”

B. CAROL WILLIS, Business Management/Marketing

“Sullivan’s faculty are always interested in their students. Early Childhood Education Instructor Barbara Mabry uses a student LaDonna Dobkins explains a project about horses.

“I have a family and I chose Sullivan because I wanted to get in and get out quickly so I can help provide for the ones I love.”

JIM GRIER, culinary arts

“I chose Sullivan because it was high-ranked and the online courses were good. I also had a passion about cooking once I was in the program.”

JONATHAN GRAVER, culinary arts

“I only really enjoyed my instructor, Dr. Tuning, and look forward to being in her classes again. I have learned so much this year. Things I thought I never would have learned!”

R. CAROL WILLIS, Business Management/Marketing

“I think Sullivan is much more than I expected to be a great fit for me and I’m very happy with my decision.”

SULLIVAN’S CULINARY ARTS PROGRAM

“I have family and friends in the area and I wanted to get in and get out quickly so I can help provide for the ones I love.”

JILL FERRARI

“I love this field to provide stability for myself and my daughter.”

LINDSAY RILES, Lauderdale Assisting

“My high school class was not interested in the subject. But in college, I’m seeing more and more students who are interested.”

ROB SNOW

“I think it’s important that kids are exposed to different areas of science and engineering while they’re in high school.”

ROB SNOW

“I chose Sullivan because I wanted to get in and get out quickly so I can help provide for the ones I love.”

JIM GRIER

“I have family and friends in the area and I wanted to get in and get out quickly so I can help provide for the ones I love.”
